Terminology Reflection **Student Name:**

Use your Terminology Chart to complete the following questions.

1. How much of the information was new to you? Circle a response below.

    a) All of the information was new to me
    b) Most of the information was new to me
    c) Some of the information was new to me
    d) Very little of the information was new to me
    e) None of the information was new to me

2. How have you previously learned more about terminology?

3. What information in the chart do you think should be shared more with all students and why?

4. What questions do you still have about terminology?
