

MCYU FAMILY LECTURE & ACTIVITY

November 26, 2022

FREE

Ages 7 to 14 (family welcome)

"The Secret World of Bats" by Dr. Faure and Dr. Hase

Join us from 11:00 AM to 12:00 PM for a family lecture about bats! We will learn about the relationship between sound production and hearing in bats, insects and other animals.

"Travelling Exhibit: Enterprises of the Human Spirit"

Join us from 12:30 PM to 1:30 PM to explore the life of a pioneer in Canadian Science, Gerhard Herzberg. You will create a spectrometer, learn about light signals, participate in a scavenger hunt and win prizes!
